Over 900 Applications Received For New Benton Twp Store

This week, Michigan Works held a Hire Day for the new Burlington store set to open in Benton Township, and representatives tell us that they screened over 900 applications. The store is looking to fill positions ranging from cashiers to auditors, and the applications all came in through the Michigan Works Job Matching System, which enabled management to automatically screen candidates based on various types of qualifications. On Thursday, 119 interviews were held at the Benton Harbor Michigan Works office, and Burlington made 77 offers. The store is scheduled to open in November.
